RE: United Children & Family Head Start
9641 Harper Ave.
Detroit, MI 48213

Dear Kristen:

On behalf of our client (United Children & Family Head Start), I would like to commend you on the completion of the project to install the PIP System (4,500 sq. ft.) at the above-mentioned facility. ISC installed the system under very difficult circumstances and upon short notice as well as overcoming numerous obstacles and working through a tight Christmas Holiday Schedule to complete the job on time and within budget.

The PIP surface is exactly the type specified and surpasses owner expectations. Again, we are extremely pleased with the results, and look forward to working with you again in the future.

Respectfully,

Robert A. Brown
