RE: River Front Park Dog Park Walkway

Dear Innovative Sport Courts:

Thank you for the excellent work to help make the Dog Park at The River Front Park a huge success. The Dog Walk will not only keep the feet of the dogs and their owners clean but also provide a look of elegance for years to come. Your customer service and professionalism from the initial proposal and walkthrough to the final product were above and beyond our expectations. You and your crew worked tirelessly to keep our project on time and on budget.

We are thankful for all of your work here at River Front Park and would recommend your services to all in need. We look forward to working with you on our next project! Thank you again.
