Dear Innovative Sports Courts,

The Teddy Bear Village in Framingham MA would like to express our sincere appreciation for the work done on our toddler playground. We were very interested in replacing our woodchips with more suitable flooring for toddlers. Kristen gave us the best solution both for our budget and our needs. The work was done quickly, and the results are beautiful. Even the children found it very interesting to watch the installation from the windows. When we decide to redo our preschool playground, we will use Innovative Sports Courts again.

Thank you,
Michelle Martin
